OPERATIONS AND MAINTENANCE

Public fishing access areas were maintained in all counties in the Southeast Region through cooperative agreements with each of the seven counties. A separate maintenance agreement is in force with five counties. Through maintenance agreements with county governments the Department cost-shares on maintenance of the sites. The counties provide maintenance work and toilet facilities as stipulated in agreements. Portable toilets are also provided on 5 sites by the Department directly. Signs have been inventoried and replaced in cooperation with the regional highway district office and county highway departments.
